Mr. President: The question is that Government to be granted a sum of Rs. 60 under "7—Excise—T. A.—(Cranganur)".

Demand, put and carried

(20) 19—Sanitation and Conservancy—Improvements to markets and cart-stands—Cranganur

Rao Bahadur T. K. Nayar *(Minister for Public Health):* I move for an additional allotment of Rs. 500 under "19—Sanitation and Conservancy - Improvements to markets and cart-stands (Cranganur)". A sum of Rs. 2,640 was sanctioned in 1121 for completing the improvements to the contagious diseases shed in Cranganur. But works to the cost of Rs. 1,536—12—0 alone could be executed before the close of that year and the balance provision lapsed. The work is still in an incomplete stage and has to be completed this year itself as the building is required for admitting patients suffering from contagious diseases. There is no provision in the current year's budget to meet the expenditure and savings are also not available for re-appropriation. An additional allotment of Rs. 500 is therefore necessary in the current year's Cranganur Budget under "19—Sanitation and Conservancy—improvements to markets and cart-stands" for completing the work.

Mr. President: The question is that Government be granted an amount of Rs. 500 under "19—Sanitation and Conservancy—Improvements to markets and cart-stands (Cranganur)".

Demand put and carried

(21) 1—Land Revenue—D—Contingencies—Printing Charges

Mr. C. R. Iyyunni *(Minister for Revenue):* I move for an additional allotment of Rs. 25,000 under "1—Land Revenue—D—Contingencies (Printing Charges)". The budget allotment under this head for 1122 is Rs. 14,200. Of this, a sum of Rs. 12,577—9—8 was adjusted towards the balance cost of 1121. The amount left to meet the requirements of 1122 is therefore only Rs. 1,622—6—4. The actual expenditure incurred in 1121 was Rs. 26,772—0—6. Hence an additional allotment of Rs 25,000 will be necessary under "1—Land Revenue—D—Contingencies (Printing Charges)". In the year 1121 a sum of Rs. 14,200 was set apart, but unfortunately that year a sum of Rs. 26,772—0—6 had been expended for certain reasons. Few items that were provided for had been printed such as statistical registers etc. There was thus a deficiency and that deficiency would have been probably provided for in the Budget for 1122 but at that time the bills due had not been received in the office from the Press and therefore the same amount was set apart. Now there is a necessity to the extent of Rs. 25,000. It is for that purpose that I request for the above grant.

Mr. President: The question is that Government be granted a sum of Rs. 25,000 under "1—Land Revenue—D—Contingencies—Printing charges."

Demand put and carried

(22) 1—Land Revenue—Anti-Rabic Treatment

Mr. C. R. Iyyunni *(Minister for Revenue)*: I rise to move for an additional allotment of Rs. 385 under "1—Land Revenue—Anti-Rabic Treatment." The allotment of Rs. 1,300 in the current year's budget under "Anti-Rabic Treatment" has become insufficient to meet the requirements of the current year. An additional allotment of Rs. 385 is necessary under "1—Land Revenue—Anti-Rabic Treatment".

Mr. President : The question is that Government be granted a sum of Rs. 385 under "1—Land Revenue—Anti-Rabic Treatment."

Demand put and carried

(23) 38—Income-tax—(e)—1—Rent

Mr. C. R. Iyyunni *(Minister for Revenue):* I rise to move for an allotment of Rs. 862 under "38—Income-tax (e)—1—Rent".

On account of the introduction of Sales-tax a few new offices had to be created and for holding these a few additional buildings had to be taken on rent. Full provision for this expenditure could not be anticipated and made in the budget. When the rent for these buildings was fixed, it was found that an additional allotment of Rs. 862 became necessary. It is therefore requested that an additional allotment of Rs. 862 be sanctioned under "38—Income-tax—(e)—1—Rent".
